

The Pencil Box

Project

Every year, over 900 homeless children in Denver struggle to meet the basic needs of getting back to school- we need your help! The Child Rescue Foundation began the Pencil Box Project in 2002 to serve the children who are working toward their high school graduation with the help of Denver Kids Inc. With the help of generous individuals and organizations in the greater Denver area, we have helped over 2,200 children get the supplies they need to successfully complete their schooling.

Step 1: Sign up by requesting a form. Fill it out and fax it to:
303-753-9416

Step 2: Download or request the school wish list for your chosen age group (elementary, middle, high)

Step 3: Collect school supplies for a 2 week period of your choosing. These items can be gently used or new. CRF also accepts cash donations for the purchase of new supplies. If supplies are being purchased, consider places such as Savers, Goodwill, the Salvation Army, Wal-Mart, etc.

Step 4: When your drive is over, contact us for your delivery site
